VOL. LX: No. 8. REDWOOD CITY, CALIFORNIA, SATURDAY, MAY 24, 1919. ESTABLISHED 1859

REGULAR MID-MONTHLY MEETING OF CITY BOARD

The city board, at the meeting on Monday evening, heard the report of City Health Officer Chapin relative to the condition of Mrs. Dinsmore's property. The outhouses were removed and put in sanitary condition, but the collection of junk remains on the premises. The matter was referred to Trustee Ryan to investigate.

Miles Sharkey appeared before the board and complained about a tank on the De Martini property, adjoining his lot, leaking and damaging his property, also forming a breeding place for mosquitoes. City Attorney Albert Mansfield stated that the board had no jurisdiction in the matter, therefore nothing could be done.

The board voted to accept the 8-9-ton gasoline road roller from Mr. C. E. Perry for $2,000.

The following dance perimts were granted:

Court Madrone, No. 158, F. of A., June 7.

Discharged Soldiers' Club, June 14.

Swastika Club, June 21.

The board accepted an invitation from the George S. Evans Relief Corps to participate in the memorial services on Memorial Day.

The city attorney presented two resolutions covering the grass nuisance in the Highland Park and Eastern Addition.

The matter of buying a new auto for the use of the police department was brought up and after a brief discussion the matter was laid over until the next meeting, June 3.

The committee appointed to select a color suitable for the city autos and fire apparatus reported that eagle red seemed to be the best color for all purposes. This color was adopted.

FRATERNAL AID UNION TO GIVE CARD PARTY

The second series of the F. A. U. whist tournament will take place on next Tuesday evening, May 27, in Foresters' Hall. There will be three prizes for gentlemen, three ladies' prizes and a door prize. The committee in charge of the affair is Mrs. Harry Jamison, chairman; Mrs. F. E. George, Mrs. Mary Winter, Mrs. H. Potts and George W. McNulty.

AUTO ACCIDENT NEAR SAN CAROLS

It was a most remarkable accident in that so few were injured when the Studebaker car driven by Frank E. Lewis ,salesman for Baker & Hamilton, sideswiped the big touring car bus of the California Bus Line on the state highway near San Carlos at 11 o'clock Thursday morning, tearing away one of the rear wheels and fender and completely reversing the southbound bu, by which he was headed back north. E. Metro, the driver of the bus, displayed a remarkable presence of mind in the control of his car, after the loss of a rear wheel, by which he prevented them from probable fatal injury. Metro deserves a hero's medal and it is to be hoped he will receive his just deserts. Deputy Sheriff Cowgill was on the ground immediately after the accident taking notes and to render any assitance which might be needed. Deputy Sheriff Hogan arrived soon afterward from Redwood and took charge of the blockade which naturally follows such an exciting incident.

FUNERAL OF MRS MARGARET HATFIELD HELD THURSDAY

Many old time friends of Mrs. Margaret Hatfield, sister of John F. Ford of this city, followed her remains to Union cemetery on Thursday, where all that was mortal of a noble woman was consigned to the grave. Mrs. Hatfield passed away at Oakland last Monday night. She had been ill for a long time. Mrs. Hatfield was raised in Redwood City and was well known here, where she attended the grammar school and grew to womanhood.

Mrs. Hatfield was born in San Francisco and was 62 years old. She is survived by her brother here and two stepsons, Forrest and Leonard Hatfield, residing in San Francisco. She was a member of Mission Chapter No. 55, Order of the Eastern Star.

Be sure to vote on the bond propositions Tuesday, May 27, for municipal improvements.

REASONS WHY THE IMPROVEMENT BONDS SHOULD CARRY EXPLAINED

This will be the Times-Gazette's last appeal to the voters before the bond election on Tuesday next. All the taxpayers and voters generally are requested to come to the polls on that day and vote for all five of the propositions of the bond election. It is necessary that the five carry in order to complete the work contemplated by the trustees. Proposition No. 1 is to replace various wooden bridges which are at present considered unsafe and a menace to public safety, with permanent bridges of reinforced concrete. Amount $60,000. The bridges to be erected are one on Broadway across Redwood creek, one across West Branch of Redwood creek at Washington street, one across the same creek on Webtser street, one across East Branch of Redwood creek at Maple street, one across the same creek at Lathrop street, one across the same creek on Oak avenue, one across the creek on Ebner street near Redwood avenue.

Proposition No. 2, to construct a new outfall sewer and pumping station. Practically the entire sewage of the town of Redwood City is collected at one point—the manhole at the intersection of Main street with Broadway. From this point a 10-inch vitrified clay pipe sewer leads down Main street to the manhole at Bradford street, from which point a 10-inch vitrified clap pipe sewer extends to the point of discharge in Redwood creek, distant 3,350 feet from the last mentioned manhole at Bradford street. At the point of discharge into the creek a brick cistern with interior diameter of 25 feet has been constructed and the original idea seem stoh ave been to use this cistern as a receiving well and provide an automa ticgate that would prevent the tidal waters from entering the sewer, the gate thus to be closed against the incoming tide and to remain closed until the head provided by the accumulation of sewage was sufficient to force the gate and thus effect discharge. Whether or not this gate was installed and its performance proved unsatisfactory, have not been able to ascertain, but the gate is no longer in evidence. The cistern is badly cracked and no longer of any value. The tide waters under the present arrangement enter the sewer, with the rsult that during th period of high tide the flow of sewage is interrupted and practically raw sewage fills the manholes over the entire area of the business portion of the town, and it is not an infrequent occurrence that the sewage is forced out through the top of the manholes onto the sufrace of the street.

Proposition No. 3, to construct a new fire house. The present fire house on Main street is entirely inadequate to meet the needs of the department, it being necessary to house the chemical engine and other apparatus in a private building. The new central fire house will be erected, according to present plans, on Webster street, opopsite the town hall, and will be part of the general idea for improving this thoroughfare and the grounds surrounding the hall, making this Redwood's civic center. The new fire house will be centrally located and will be in direct communication with every part of the city. The building will be two stories, the lower floor containing room for the chemical engine and other fire apparatus and a small acid room. Upstairs there will be an assembly room for the firemen, two bedrooms and bath. There will be a man in charge of the fire house, who will devote his spare time to taking care of and repairing not only the machinery and equipment belonging to the fire department, but also that of the street and water departments. The property where he old fire house stands is very valuable as a business site and the price it would bring in the realty market would go a long ways towards the cost of the new fire house.

Redwood's present fire department is a volunteer organization. The men give their time and services, day or night, often risking their lives, in the protection of the city against fire. The building of the new fire house will encourage the men and help them keep alive their organization, besides insuring Redwood fire protection for years to come.

Proposition No. 4 ,the improvement of Webster street from Jefferson to Main street. A large portion of the property fronting on this street is owned by the town of Redwood City and the Redwood grammar school district. It is proposed to provide funds so that the assessments for this property may be paid when the street is improved. The pavement is to be a concrete base with asphalt wearing surface—the estimate includes the construction of curb and sidewalk, and also a concrete culvert to replace the wooden culvert now in place just west of the concrete bridge. The estimate of the expense to be borne by the town for this improvement is $5,000.

Proposition No. 5, the improvement of Maple street from Franklin street to El Camino Real. At present the route from the business portion of the town to the homes along Vera, Lincoln and Roosevelt avenues lies either out Jefferson avenue to the Highway, or out Main street and to the Highway, either of which routes is circuitous and undesirable. The new right of way for this street as deeded by the John Horstman Chemical Company leaves the former right of way for the street on the east as property belonging to the town of Redwood City. The cost of the improvement of the street would under present conditions be assessed against two owners, the Horstman Chemical Company on one side and the town of Redwood City on the other. The new right of way is furthermore encroached upon by the creek, making necessary the construction of a retaining wayy about 130 feet in length and a height of about 10 feet. The cost of the wall, including the necessary channel excavation and filling, is estimated to be $3,500. The wall has a value, not alone for the improvement of the creek channel and its carrying capacity for flood waters, but from the thoroughfare in the town. The estimate of the expense to be borne by the town for this improvement is $5,500.

EUGENE D. KELLY LAID TO REST LAST THURSDAY

Eugene D. Kelly, the Portola pioneer, was laid to rest in a vault in the Santa Clara cemetery Thursday morning. Many old time friends followed the remains to their last resting place. Mr. Kelly passed away on Tuesday after a long illness. He was the eldest son of the late Hugh Kelly, at one time supervisor of the third township. Mr. Kelly spent his youth at Portola, where he attended the gramar school. He passed many years in Butte City, Mont., where he was engaged in business. For several years he resided at Portola with his wife, who survives him. The deceased was a native of Santa Clara, aged 56 years. He was well known in this community, where he had many friends who loved him for his many good traits of character.

Vote yes on No. 1 for new bridges.

CHAUTAUQUA HAVING A BRILLIANT SEASON

C. M. Doxsee, chairman of the local Chautauqua ,has received a letter from the advance man of the Chautauqua, which will begin here one week from today, written from Porterville, in which he says, "Just a note to tell you I will soon be with you there as we close here on the 24th. The boys have done fine and went over the top in good shape. The program is great and people will buy if you can get it to them. Going fine all along the line." Guarantors who have not yet received their quota of tickets should get them without delay from F. K. Towne, treasurer at the First National Bank.

ATTENTION

All Chautauqua guarantors are urged to get their tickets from Mr. Towne at the First National Bank, at once. Only two weeks remain in which to dispose of the tickets and everyone should get busy.

THE WEEK'S EVENTS IN LOCAL CIRCLES

Frank J. Silva, assitant United States attorney of San Francisco, has been chosen to deliver the oration on Memorial Day under the auspices of the Grand Army of the Republic in Redwood City. The exercises will be held in the Sequoia Theater. The American War Veterans will march with the Civil War Veterans and the Spanish-American Veterans. A neat program has been arranged for the occasion.

The mortal remains of Mrs. Florence Boicelli, who died at her home on the highway near town on Tuesday last, were laid to rest in the Italian cemetery, Colma, Thursday afternoon. Death was due to diabetes. She was the widow of the late Daniel Boicelli, who preceded his wife to the grave four years ago. She was a native of Italy, aged 61 years. She is survived by three sons and one daughter. Mrs. Boicelli had been a resident of this city for the past 18 years.

The people of Redwood City have every reason to be proud of the achievements of their fellow townsman, Mr. Doxsee, the artist. Mr. Doxsee designed and painted the scenery used at the big performance given in honor of the returning naval men in the auditorium in San Francisco last Tuesday night. Mr. Doxsee received many flattering notices from the press of the city for his work.

Chase Littlejohn and Dudley De Groot returned Tuesday from Oroville. They left here last week for Red Rock, Lassen county, to secure scientific specimens of birds and mammals for the government, intending to be gone for some time. The snow was so deep in the northern part of the state that they were compelled to return. They will make the journey later in the season.

Mrs. J. H. Crowley, a resident of this city up until last March, passed away at Los Angeles on May 2 from a complication of diseases. Mrs. Crowley conducted the roming house over Stafford Brothers' store on Brodaway for a year before leaving here. She was a woman of the highest character, well liked and beloved by all who knew her. She is survived by her husband, J. H. Crowley.

LOCAL MILITARY RESERVES WILL PARADE ON MAY 30

Captain Lambert of the 30th company, California Military Reserve, yesterday received the folowing communication from the adjutant general, which is self-eplanatory:

Sacramento, May 19. Under the provisions of section 2003, Political Code of California, the military organizations of this state will, on Memorial Day May 30 ,1919, parade in their respective localities, and wherever possible, co-operate with organizations of veterans of all the American wars or other kindred patriotic societies in order that the state may, through its military department, honor the memories of those who gallantly gave their all in the nation's cause. They have well fulfilled their duties as true citizens; therefore, let us who enjoy the fruits of their labor and sacrifice, pay homage to their memories, for to their valor and sacrifice is due the splendid united country we have the privilege to live in. To them, also, is due the credit of making Old Glory the emblem to which all the people of the earth may look, representing liberty, equality and justice. As we offer our thanks to the Creator for the privilege that is ours of paying respect to the memories of the heroic dead, we can, in a small degree, show those who so cheerfully gave these men to their country that we are not an ungrateful people.

2. Athletic sports or exercises inappropriate to the day ,will not be held or participated in by any of the state forces, as such, on Memorial Day.

3. The national flag will be displayed at half staff on all armories throughout the state on Memorial Day until 12 o'clock noon, at which time it will be hoisted to the top of the staff, there to remain until sunset.

4. Parade reports will be forwarded to this office by company commanders not later than June 10, 1919.

By order of the Governor:

J. J. BORREE,
The Adjutant General.

BANK OF ITALY DIVIDED $7.50 ON EACH SHARE

The Bank of Italy cut a luscious melon yesterday by declaring a special dividend of $7.50 a share on its 50,000 shares of stock outstanding. This dividend is payable July 2 and it will be paid directly to the Stockholders Auxiliary Corporation in full settlement for the unpaid subscriptions on said stock. In addition to this special dividend the regular divident will be increased from 7½ to 8 per cent per annum and will be declared at the June meetings of the board of directors for the six months ending June 30.

It will be recalled that the Stockholders Auxiliary Corporation is composed of the stockholders of the Bank of Italy and that the par value of the shares is $10 each. Of this par value $2.50 a share was paid up by the stockholders when they subscribed and they agreed to pay the balance, $7.50, when called for.

The Bank of Italy through this special dividend now pays up the stockholders' subscription on the Auxiliary Corporation stock and makes the shares fully paid at $10.

In a circular letter issued by A. P. Gianini, president of the bank, yesterday, it was stated that the reason of this action was that the Sockholders Auxiliary Corporation could use a much larger working capital. The circular closes with the statement that the bank is now doing a splendid business and that its resources have already passed the $100,000,000 mark.

Propositions Nos. 1, 2, 3, 4, and 5 should be carried by an overwhelming majorities. Each is for the betterment and necessary municipal improvements.

RECEPTION AND DANCE AT LA HONDA BIG SUCCESS

The big reception and dance given in honor of the returning La Honda boys from overseas at Woodruff Inn pavilion last Saturday evening broke all records as far as attendance was concerned. La Honda never had such a large gathering before. Big delegations were present from Mountain View, Menlo Park, Redwood City, Mayfield, Palo Alto and other peninsula towns. La Honda was there en masse. Nearly 700 persons gathered at the pavilion to share in honoring the returning heroes.

The pavilion was illumined by the Delco system, Mr. Charles of San Jose donating his services and the lights for the occasion.

Andrew Gallagher, répresenting Mayor Rolph of San Francisco, delivered a brief but appropriate address which was well applauded. Henri Devere, proprietor of Woodruff Inn, did himself honor in the tempting supper he prepared for the big throng. It was voted the best banquet ever served on the peninsula.

The success of the affair was largely due to Charles and Frank Cavalli, who were on the reception committee, and to Matt Zanone, who was chairman of the committee of arrangements. Floor Manager H. Wetherbee sustained his reputation as an efficient floor director. William Langley ably assisted these gentlemen in the work.

Bevo and Seeded Raisins

Already we are beginning to feel the quiet but steady demand for package Seeded Raisins. BEVO is also coming into its own. For some time we receivek KICKS on the quality of the raisins. These have now subsided and the story goes that the KICK has now been absorbed by the BEVO.

The ingenuity of the American is wonderful; it's no astonishing fact that we win.

NEXT TUESDAY WILL TELL PROGRESSIVENESS OF THE PEOPLE OF REDWOOD

On next Tuesday the people of Redwood City will be given an opportunity to show their public spirit, progressiveness and their interest in Redwood City's welfare by voting "yes" on all of the five propositions to be submitted to the voters on that day. It is proposed by this bond election to incur and indebtedness of $120,000 to carry on certain necessary municipal improvements. In the event that the five propositions carry, it is probable that bonds will be issued for a period of forty years. The extra tax therefore would fall lightly on all.

With the present assessed valuation of $3,000,000 for Redwood, the extra tax necessary to levy, to meet the payment of the principal and interest on the bonds would be about 30 cents on the one hundred dollars. In other words, a person owning property assessed at $1000 would pay only $3 extra tax during the year with a gradual reduction each year as the principal was paid off.

This will be one of the most important elections in the history of Redwood and the trustees urge every man and woman voter to go to the polls on Tuesday, the 27th, and vote.

Every taxpayer in Redwood City who has the town's welfare at heart should vote for the bond issue on Tuesday next. If Redwood City is to remain in the march of progress this money must be raised for the municipal improvements contemplated by the trustees. Trey are absolutely needed and must be made. Should the bond election fail Redwood City will receive a set-back from which she will not recover in ten years. Come out and vote and show your interest in public affairs.

LA LIBERTAD FILIPINA GETS COLD DOUCHE

The prospect of Philippine independence appears to threaten the continued prosperity of those possessions. Some time ago, on the demand for Philippine independence made by a commission arriving in this country and headed by Manuel Quezon former delegate in Congress from the islands, President Wilson declared in favor of the proposition. The Commission then took itself off to New York for the purpose of inducing investors to place capital in the Philippine Islands. These investors were treated to rosy pictures of the profits to be reaped in the far away islands. But they were wary and wouldn't bite worth a cent. The one and all declared that if our little brown brothers," as Mr. Taft used to call them, were going to run their country in their own way without any advice or control from Washington, it didn't seem as if an American dollar would find a very healthy habitat in those quarters, and the New York investors opined that they would roll their cartwheels in another direction. The commission left New York gobbed with gloom.

Quite recently it was announced that some important business interests which are transacting a large annual trade with the Philippines Islands have practically determined to close their offices there and to withdraw in the event of definite action by Congress granting independence to the archipelago. This referred to the large distributing houses having headquarters in Manila. At the same time it was stated that companies having investments in the Philippines had determined, in the event of such Congressional action to dispose of their interests and move elsewhere.

Several reasons were given for such proposed action, and one reason which was not mentioned, and which for diplomatic causes were not alluded to, stood out prominently, and that was, that these investors and merchants have little confidence of getting a square deal if the Filipinos are put out on their own hook. Among the reasons given were, first the fear that the grant of independence by Congress would immediately enforce our tariff duties against the Philippines just as against other foreign countries, and these men look for protective tariff rates from the Republican Congress. American houses have established a large trade in the islands because of their favored position with respect to American tariff, but they do not believe they could hold this business against the competition of European shippers who with the close of the war are getting back into the trade and are already pressing them hard. Second ,the fear that legislative conditions or the terms upon which contracts could be enforced might be modified. Third, the fear that they might be subject to a drastic taxation.

Last year the trade of the Philippines totaled $234,000,000, of which $98,600,000 was imports, and $135,200,000 was exports. Of the imports the United States supplied 60 per cent, while we took 66 per cent of the Philippine exports. The prospect of a material curtailment of that trade ,arising out of independence, is causing the thinking class of Filipinos no little unasiness, and despite Mr. Wilson's speedy pronunciamento in favor of the Quezon program, it is quite possible that the islanders themselves will reconsider.

DIAMOND ARTISTS MAKE FAVORABLE SHOWING

Baseball season opened in Redwood City under most favorable circumstances when the local nine defeated South San Francisco team by a score of 4 to 3 in a 16-inning game. It was one of the finest contests seen on the Redwood diamond. The weather was beautiful and the crowd large.

The fans were enthusiastic before the game started and County Treasurer Farrell pitched the first ball across the plate toward Judge Buckles, but Sheriff Michael Gaffney knocked the ball into the crowd for a clean hit.

There was no scoring in the game until the fourth inning, when Redwood's Lal Chase out of the game scored three runs. Comparini went onto the mound for South San Francisco and held the score with two runs to the seventh.

The game remained at 3 to 3 until the end of the sixteenth inning, when two outs, the Redwood team pulled a boner and Redwood won the winning run.

The Sunnyvale nine met defeat at the hands of the Redwood City team on the local diamond last Sunday in a fast game by a score of 3 to 1. It was a splendid contest, making the fans yell with joy. On May 11 the local team won a spirited game from South San Francisco. The local ball team is certainly starting the season with vim and vigor and with a determination to win the pennant. The contest tomorrow promises to be a "hot" one. It will be on the local diamond and the contestants will be a crack team from Newark and the local nine. The lineup of the latter will be as follows: Casey, catcher; Comezzi, pitcher; Jennings, first base; Fitzpatrick, second base; Hanley, short; Fulton, third base; Marshal, left field; Connelly center; Silva, right field; Peterson, right field; battery, Casey and Chase; umpire, Daley.

REGNIERS BRING LIFE AND LAUGHTER

Two Splendid Programs on the Sixth Day by These Talented People.

It is entirely probable that you have never seen just such a thoroughly enjoyable program as the Regniers are bringing to you on the sixth day of Chautauqua. Breezy, snappy, bubbling with laughter, they have one of the most surpassingly unique entertainments of the platform.

Roy Joseph Regnier is an impersonator of unusual ability. As an Irish janitor, the stately old southern colonel or the gesticulating Italian fruit vender every detail is so perfect that he seems to lose his own identity completely. And with such rapidity does he work that you have a vague impression that there are several characters on the stage at one time.

Mrs. Merle Wolfe Regnier is a charming musician and sweetens and brightens every program with her delightful songs and pianologues.

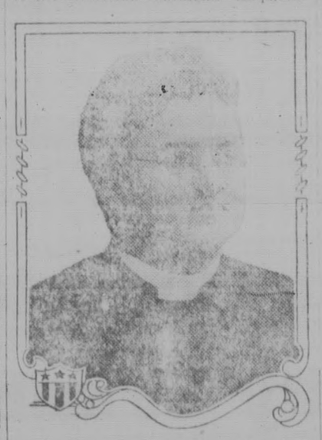
RUSSIA DURING REVOLUTION DAYS

Rev. Joseph Clare of Petrograd Talks on Russia at Chautauqua.

It is rare good fortune that brought Rev. Joseph Clare of England to the Chautauqua platform this season, for he is bringing with him the most fascinating and enlightening story of the Russian situation that has yet come to the American continent. As pastor



of the British and American church in Petrograd, Dr. Clare lived in the Russian capital during the war and the days of the revolution which followed. He enjoyed friendships with the great personages of Russia during these stirring days and his experiences are replete with thrilling revelations. To hear Dr. Clare will give one a better understanding of the Russian people.

MENLO PARK NEWS OF ALL SORTS

Doings at Peninsula Garden Spot As Told in Breezy Style By Our Reporters

Ensign Charles McNeill, formerly a student at the Sequoia Union High School at Redwood City, has returned to his home at Atherton on a furlough and soon expects to get his discharge, when he will resume his studies at Stanford, where he was enrolled before his enlistment. He has been stationed recently at Norfolk, Va.

The Shaw place, consisting of five acres of land and improvements on Polhemus avenue, Atherton, was sold this week to Charles Ehrlich, chief gardener for George Ross of Atherton, for $2,500. The sale was made by Owen O'Donnell, the real estate agent of Atherton.

The riding school from 701 Seventh avenue, San Francisco, is now located in the Russell stables on Oak Grove avenue ,with O. Romander in charge. The school has a full list of patrons, many from the San Francisco branch, who will continue their instruction here. The management has shipped all of its best saddle horses here to Menlo Park. A. M. Fenton, an experienced horseman, will be the instrutcor in riding. Mr. Fenton was recently honorably discharged from the service in Siberia. The children of the wealthy class are all patrons of the stables.

Mrs. Logan has leased her beautiful home near Menlo Park to a wealthy New Yorker, who will take possesison of the place at once.

James Cassidy, a former resident of Menlo Park, passed away at Oakland last Sunday and was interred on Tuesday. The deceased was a native of Ireland, aged 69. Before leaving here five years ago he was a resident of Menlo Park for many years.

Mrs. Latham McMullen, a society leader of San Francisco, has leased the Dr. Wilson home at Atherton for the summer.

Miss Alaide Gale, young daughter of Mr. and Mrs. Al Gale, graduated from the Lane Hospital in San Francisco on May 14, after a three-year course as a professional nurse. Miss Gale will at once enter upon the pratcice of her profession.

Miss E. M. Warren during the week took possession of her beautiful home on the hills back of Atherton. She spent the winter in San Francisco.

"Remember Our Boys Gone West," a new song by Denis A. Merz, has been sold to the North American Music Company. He is to receive a royalty for the composition.

Mrs. Louise McCormick Henderson, daughter of E. O. McCormick and wife, of Robert B. Henderson, treasurer and general manager of the Portland Cement Company, passed away at her father's home in San Francisco last Monday after a long illness. For three years the Hendersons occupied the Dorn place on Valparaiso avenue and up until a short time ago occupied the Herbert Law home at Atherton. Mrs. Henderson was highly esteemed by all who knew her. She is survived by her husband and an infant son.

Father Kunkle of St. Patrick's Seminary has been appointed temporary pastor of St. Thomas Aquinas church, Palo Alto, the pastor, Father Gleason, having gone to New York to make his report as vicar general to Archbishop Hayes, bishop over all the chaplains of the United States. Father Gleason represented the prelate on the coast, Alaska and the insular possessions.

Ray Cahalan of this place is a hero. While strolling along the beach below the Cliff House last Monday he heard the cries of a woman and on going down to the water's edge he saw the woman's 6-year-old daughter being carried out to sea. He jumped into the water and after a desperate struggle rescued the child. Such acts of heroism are worthy of the highest praise.

Those present besides the young hostess were Misses Irene Carter, Ruth Walsh, Naomi Button, Silvia Terramere, Ilah Vincent, Cloreene Carroll, Esther Carter, Miss McCormick, Margaret Birch, Mr. and Mrs. W. Edgar Carnduff returned from a military camp in Georgia during the week. He was demobilized at Camp Kearny recently. Young Carnduff was nearly two years in the service. He was ready to go overseas when the armistice was signed.

ADDITIONAL LOCALS

The stork on Tuesday evening left a baby girl at the Huling Sanitarium for Mr. and Mrs. Percy Long of this city. The mother is doing nicely and the father is naturally proud of the little miss who has come to bless a happy home.

Harold Evan Woodworth, the recently appointed county horticultural commissioner, has opened offices in the court house and is making a study of the horticultural problems of the county. The bean and potato pest on the coast side is having his attention for the present. Later on he will study the best method of eradicating the caterpillar nuisance. The insect is playing havoc with the oak trees down the peninsula. Mr Woodworth is a graduate of the agricultural department of the state university and is a young man of ability.

Mrs. David Moore, who was taken to a San Francisco hospital a short time ago, is not improving as rapidly as it was thought she would. Mr. Moore returned from the city yesterday and was not encouraged by the reports he received from the institution.

Thomas Carolan, better known as San Gregorio Tom, was discharged from the Peninsula Hospital yesterday and is in Redwood City for a few days. His left hand above the wrist was amputated a short time ago at the hospital. The operation was performed by Dr. J. L. Ross and Dr. T. M. Williams. Mr. Carolan is a veteran of the civil war and over 80 years of age.

Mrs. A. W. Pike met with a painful accident while on her way home late Thursday evening. Her horse took fright and ran away, throwing her out. She sustained a fracture of her collarbone and a few lacerations of the scalp. Her maid and young child, who were with Mrs. Pike, escaped uninjured. Mrs. Pike was removed to the Huling Hospital and late yesterday was taken to her home back of Wellesley Park.

TRUST CLAUSE IN JOSEPHINE PHELPS WILL HELD VOID

"The court holds that the trust clause in the will of Josephine A. Phelps, deceased, void," is the decision rendered on Thursday by Judge Buck, which practically nullifies the will left by Mrs. Phelps. After the death of Mrs. Swasey a short time ago her sons attacked the trust clause in the will. Their attorney, John L. McNab, argued the case before Judge Buck last week when the matter was submitted to the court. Attorney Sharpstein defended the will for the executors, Will Chapman and the Union Trust Company of San Francisco. Under the terms of the trust Mrs. Phelps gave $240,000 to annuitants and left $280,000 in legacies. This is now void under the decision. Mrs. Virginia Lord was left the Phelps home at San Carlos and the apartments in San Francisco owned by Mrs. Phelps were given to her other sister, Mrs. Schroeder. These bequests will stand, as they were not a part of the trust clause. Ross & Ross represented Mrs. Lord in all the proceedings in court.

Since Mrs. Phelps died and provided that her brothers and sisters should be paid certain annuities out of a trust fund which was to be created, one of them has died and another is at present very ill.

The trustees, who are W. F. Chipman and the Union Trust Company, have failed to create the trust fund.

The will left the elements of time and method entirely at thir discretion. The heirs contended that if the trustees saw fit they might never creat such a fund and the estate would not be distributed during the lifetime of any of the heirs.

The property consists largely of real estate in San Mateo county. The trustees have made the defense that it was not income producing and that they had found no opportunity to sell at good advantage. In the meantime the heirs for whom Mrs. Phelps intended to provide have found themselves much in need of money, but with the prospect that they might grow old and die before any distribution was made.

By the decision of Judge Buck those heirs named in the will who were to receive the estate after the annuities had been paid and the beneficiaries of the trust fund had died will be cut off altogether, as the estate will be divided among the heirs at law.

DELEGATE TO CONVENTION

Mrs. Mary E. Winter has been elected delegate at large to the national convention of the Woman's Relief Corps to be held in Ohio next September. This is quite an honor to Mrs. Winter, as she was not present at the convention, which was held in Santa Ana last week. There were 20 delegates elected ,most of whom were present, and Mrs. Winter was given the largest number of votes. Mrs. Winter was nominated by Mrs. Geraldine Frisbie, who is also a member of the local corps. Mrs. Whiter has been one of the most active members of this corps for many years and her election is a pleasure to her many friends.
